hrhdHome *Enterprise*

Welcome to hrhde, the next generation online trouble ticket database from Home Run Help Desk. To use this site, you must have Flash 7 installed, and your version 6 or later browser must be configured to check for newer versions of stored pages upon "every visit to the page." Finally, a broadband or LAN connection is recommended for proper viewing. Thank you for using hrhde.

To begin, select your proper destination by clicking on a button below:

Client <ul style="list-style-type: none">-Find Solutions-Submit Tickets-Check Status	Tech <ul style="list-style-type: none">-Manage Calls-Run Reports-Edit Database	Admin <ul style="list-style-type: none">-Make Profiles-Create Logins-Manage Calls
